or 34 per hundred.

or \$4 per hundred.
Two and 3 year old, first class, 8c each or \$5 per hundred.
When 50 trees are taken they will go at 100 rates.

go at 100 rates.

Now is the time to get good apple trees at a terribly reduced price. Do not miss this chance, but come at once and get your stock from a home nursery before the trees are culled. My trees comprise all the leading varieties I have also in connection budded peach, pear, plum, cherry and grapevines, raspberry plants, shade and ornamental trees that are offered at low prices. I would say to one and all, if you intend to plant orchards, now is your time to do it. Our trees have been grown with special care, and I guarantee all trees true to name. Remember that I have had 29 years' experience in the Nursery bisiness. Scan for list of varieties. This nursery is located 3 miles east of Humboldt, on the Ft. Scott road. Address all orders to N. W. Crawford, Humboldt, Allen county, Kansas. OHIO & MISSISSIPPI RAIL

WAY.

One of the Oldest Western Roads-Its Progress for The Year.

In the general offices of the Ohio & Mississippi Railway is still preserved the second time table ever issued. It is dated September, 1857, and shows one passenger train a day each wav between St. Louis and Cincinnati, except Sundays, and the time was 17 hours. To-day the daylight limited makes the run in less than 10, while the service has grown to four trains

the service has grown to four trains each way, every day in the year. Seven thousand tons of new steel rails were laid during the year in order rails were laid during the year in order to maintain its reputation for a good goad-bed. New passenger stations have been erected at different points, and the old stations are being rapidly replaced all along the line.

At Washington, shops which are among the most extensive in the United States, have been completed during the waster.

ed States, have been completed during the year at a cost of over \$300,000. New passenger coaches, baggage to the equipment including two extra aim baggage cars, capable of contain-ing the largest pieces of theatrical

The daylight limited train is one o the best leaving St. Louis on any road it is made up of new coaches, vestibul-ed throughout, and has a Pullman buffet parlor car attached. It make the run of 340 miles in less than ter

the run of 340 miles in less than ten hours, including stops.

Daily lines of Pullman Vestibule Buffet Sleeping Cars are run from St. Louis to Cincinnati, Louisville, Washington. Baltimore, Philadelphia, and New York without change, while connection is made at its eastern termini with other through car routes for New York and the East, and for Chattanooga, Jacksonville and the Southeast.—St. Louis Republic, Jan. 6th, 1890.

Ballard's Horebound Syrup.

We gharantee this to be the best Cough Syrup manufectured in the

Cough Syru, manufactured in the whole wide world. This is saying a great deal, but it is true. For consumption, coughs, colds, sore throats, sore chests, pneumonia, bronchitis. asthma, croup, whooping cough and all diseases of the throat and lungs, we positively guarantee Ballard's horebound syrup to be without any equal on the whole face of the globe. In support of this statement we reter to every individual who has ever sold it. Such evidence is indisputable. Sold by J. W. Boott.

We trust the article will be care-fully read.

so. We trust the article will be carefully read.

The unexpected advent of a post of fice inspector the first of the week created considerable stir, especially when it became noised that his visit was for the purpose of considering the advisability of moving our office into different quarters. He remained here for two days—a very pleasant gentleman, by-the-way, whom we had the pleasure of meeting in Washington last winter—heard everything that any body had to say, said nothing himself, and went on his way. The result of his report to head quarters will be awaited with a good deal of curiosity, not to say anxiety. ot to say anxiety.

Jas. Townsend, living west of the river, authorizes us to give notice that he will give \$4 for the scalp of any one of the wolves which infest his place, or he will give \$20 for the scalps of the four which are known to live near there. This is in addition to the \$3 hearty offered by the country and bounty offered by the county, and ought to afford enough of a templation for some of our nimrods to display their prowess. The walves destroyed \$30 worth of sheep last year for Mr. Townsend besides numerous chickens and other fewls, and he doesn't want to suffer from their depredations another

when a man takes a cigar out of his mouth to tell the editor to stop his paper because he "can't afford it," the editor may say nothing but he thinks a great deal. And when a man orders his paper stopped because he "hasn't time to read it" and then goes down and whittes a dry-goods box for two hours, the editor may not say anything but he thinks a great deal. The chances are that more kinds of people drift through a newspaper shop in the course of a week than through any other place of the same size in the world. world.

"reasurer Cunningham has figured Treasurer Cunniagham has figured out that the amount of taxes rebated this year was \$41.90 greater than the amount rebated last year. That means that considerably more taxes were paid in full this year than last. Another evidence that we are better off this year than we were last is furnished by the office of the Register of Deeds which shows a third fewer chattle mortgages on record during January of the contraction of the second successful tle mortgages on record during Javu-ary 1890, than during January 1889. Times are hard but they are not so hard as they were. Let us take cour-

with farm implements, clothing, drygoods and groceries cheaper than they
were ever before known in this country, and with retail margins so narBUY caw that only the most conservative, careful and experienced dealers have been able to stand the strain, it is too evident for argument that the hard times are not due to exorbitant pri charged for what we have to buy. The trouble is the low prices we get for whrt we have to sell, and that is what we want to look after.

TO-DAY'S PROGRAM AT THE SOMOOL

The usual school work will be carried on in the forenoon. In the afternoon there will be exercises appropriate to the day in the several rooms, and each room will be presented with BUY The Kansas emigration bureau is preparing to issue a million books of escriptive of the advantages of Kansas and individually of each county and city. The expense of the publication will be defrayed by an assessment on each county of \$1 for each 1,000 in the histants. We do not know whether of Alien county's quota has yet been asked for, but when it is it should be promptly forth coming.
